

# 27 October GP CPD - Neurology

Join Neurologist Dr Nabeel Sheikh for an evening of quality education including peer-to-peer networking and question time where you will have the opportunity to share and discuss relevant cases.

Please note: This event was originally scheduled for Tuesday 18 August.

Date:

Tuesday  
27 October 2015

Time:

6.30pm - 8.30pm  
Buffet dinner  
and presentations.

Venue:

St Vincent's Private  
Hospital Brisbane

411 Main Street  
Kangaroo Point

*Parking is  
available on site.*

## Hyperacute stroke care

Discussion points:

- Changing spectrum of revascularisation therapies.
- Beyond intravenous thrombolysis.
- Implications for post-discharge patient care.
- GP role in hyperacute phase and stroke follow up.

## Non-motor symptoms of Parkinson's disease

Discussion points:

- Parkinson's disease – not just a movement disorder.
- Spectrum of non-motor symptoms of Parkinson's disease.
- Identifying the issues and addressing them – critical role of a GP.

Dr Nabeel Sheikh is a consultant at St Vincent's Private Hospital Brisbane. His clinical practice interests include: neurophysiology (nerve conduction studies and electromyography for neuromuscular disorders), hyperacute stroke care, multiple sclerosis, epilepsy and headache disorders.
